# MUNICIPAL UTILITIES BOARD OF THE CITY OF ALBERTVILLE

## Residential Application for Service

The undersigned (hereinafter "Applicant") hereby makes application for electric, water and/or wastewater service at the address shown and agrees to pay for said service as measured by the Board's meter according to the applicable rate. Applicant represents that neither Applicant nor any member of Applicant's household is indebted to the Board for services at the address shown or at any former location of the Applicant. Applicant is responsible for maintaining a current balance on this account at all times. Failure to abide by the terms of this paragraph at any time shall be grounds for discontinuance of service. Fees for collections, cut offs, collection agencies, attorney fees, and/or court costs will be charged to the Applicant.

The Applicant agrees to permit authorized agents of the Board free access to the premises receiving service for the purpose of inspecting, reading, repairing or removing property of the Board. Applicant also agrees to reimburse Board for the cost of any damage to Board property at the premises receiving service.

The Applicant agrees that this application is subject to the Board's Rules and Regulations, a copy of which is open for inspection at the office of the Board, and that these Rules and Regulations are incorporated as terms to this agreement.

The Board shall have the right, but shall not be obligated, to inspect any installation before electric, water and/or wastewater service is introduced, or at any later time, and reserves the right to reject any wiring or appliances not in accordance with Board standards. Such inspection or failure to inspect or reject shall not render the Board liable or responsible for any loss or damage resulting from defects in the installation, wiring or appliances, or from accidents which may occur upon the premises receiving service.

If a customer determines that the premises to receive service has not been connected to the available wastewater system, the Board will waive the connection fee upon request to connect to the system. All customers are charged the wastewater fee based on reasonable access whether or not said premises is connected to the wastewater system. It is the customer's responsibility to determine if the premises receiving service is connected to the wastewater system.
